DIAGNOSIS OF HEPATOMA

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97 & §1.56

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §1.56 to inform the Patent and Trademark Office of all references coming to the attention of Applicants or Attorneys for Applicants which are or may be related to patentability of the claimed invention. Applicants hereby direct the Examiner's attention to references AA to BH, which are listed on the accompanying revised PTO Form 1449. Copies of references AA to BH are submitted herewith. In connection with references AJ and AK (which are in Japanese). Applicants attach hereto a copy of the international search report issued in International Application No. PCT/GB99/00458 (which is a counterpart foreign application of United States Patent Application Serial No. 09/637.681, filed August 14, 2000, of which the instant application is a continuation-in-part), indicating the degree of relevance found for those references by the international searching authority. In connection with reference AY (which is in German), Applicants attach hereto a copy of the international search report issued in International Application No. PCT/GB00/03224 (of which the instant application is a

continuation-in-part), indicating the degree of relevance found for those references by the international searching authority.

Applicant respectfully requests that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. §1.97, because this Information Disclosure Statement is being submitted before the first substantive Office Action, it is believed no fee is due. If however, a fee is due, please charge any required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Date October 1, 2002
